

# Yksi rivi päivässä

*Viisi vuotta. Yksi päivämäärä. Yksi rivi.*

---

*Viisi kertaa sama päivämäärä.*

*Viisi eri ihmistä.*

INKWARD

[www.inkward.life](http://www.inkward.life)

# Näin käytät tätä päiväkirjaa

---

Joka päivä saat yhden rivin. Ei enempää.

Viiden vuoden päästä yhdellä sivulla lukee, mitä samana päivämääränä tapahtui — viisi kertaa.

Allekkain. Vertailukelpoisesti.

Tulet näkemään, miten sama asia siirtyy. Mikä oli huolta, on muuttunut tyhjäksi. Mikä oli sivussa, on nyt keskellä.

Kirjoita ylös vuoden kaksi viimeistä numeroa. Rivi on sinun. Sen ei tarvitse todistaa mitään.

INKWARD
